

Swiss-AS Press Release

EGAT selects AMOS

March 2016

At a glance

- **EGAT (Evergreen Aviation Technologies Corp.) to become development partner and launch customer of the AMOS MRO Edition.**
- **More than 2000 EGAT users look forward to using AMOS.**

Best-in-class, Taiwan-based MRO provider EGAT inks agreements with Swiss-AS

EGAT, one of the top ten MRO providers worldwide, places its full trust in AMOS. During presales the evaluation team of EGAT became so convinced of the AMOS core functionalities that they fully believe in the capacities of Swiss-AS to make AMOS a best fit for large pure-play MRO providers.

With the implementation of AMOS EGAT will replace its actual diverse software landscape by a fully integrated, state-of-the-art system that will support the high efficiency, technical excellence, and customer focus of EGAT. Swiss-AS is delighted to welcome Asia's renowned MRO service provider to the AMOS community.

EGAT to become launch customer of the AMOS MRO Edition

EGAT has been selected to become one of the development partners who will support Swiss-AS in the process of completing the AMOS MRO Edition in 2017 and shall become the launch customer.

"This win-win agreement allows Swiss-AS to equip EGAT with a proven system that supports their maintenance management activities while benefitting from EGAT's rich MRO experience in the development of the AMOS MRO Edition" says Ronald Schaeuffele, CEO of Swiss-AS.

About Evergreen Aviation Technologies Corp.

Evergreen Aviation Technologies Corp., better known as EGAT is an award-winning, mid-sized, boutique aircraft and engine Maintenance Repair and Overhaul facility. Winner of the "Best Airframe MRO in Asia" from UBM Aviation (UK), "Best Independent MRO in Asia Pacific" by Aviation Week, as well as many airline partner awards, EGAT delivers an extensive range of airframe, engine and component services as well as aircraft conversions to more than 40 airlines from around the world.

About Swiss AviationSoftware and AMOS

AMOS is a comprehensive, fully-integrated MRO software solution being developed and distributed by Swiss AviationSoftware. Swiss-AS, a 100% subsidiary of Swiss International Air Lines, has over 140 customers worldwide and belongs to the industry-leading MRO software providers. Our loyal customer base includes pure operators of all sizes, major low-cost, regional and flag carriers, large airline groups and MRO providers. In the Americas and in Asia, AMOS is distributed through a partnership with Lufthansa Systems. For more information, please contact us via marketing@swiss-as.com or visit us at

SWISS-AS.COM

"With the AMOS system, the maintenance, engineering as well as logistics functions at the MRO can be integrated seamlessly with the maintenance management. We can also comply with the rigorous requirements that govern aviation maintenance regulations at the parent company EVA Airways, along with our other airline customers. We are looking forward to experience the operational effectiveness and efficiencies delivered by AMOS."
says NH Huang, President of EGAT.
